Workflow Exploration Report

Labels and Links Navigation

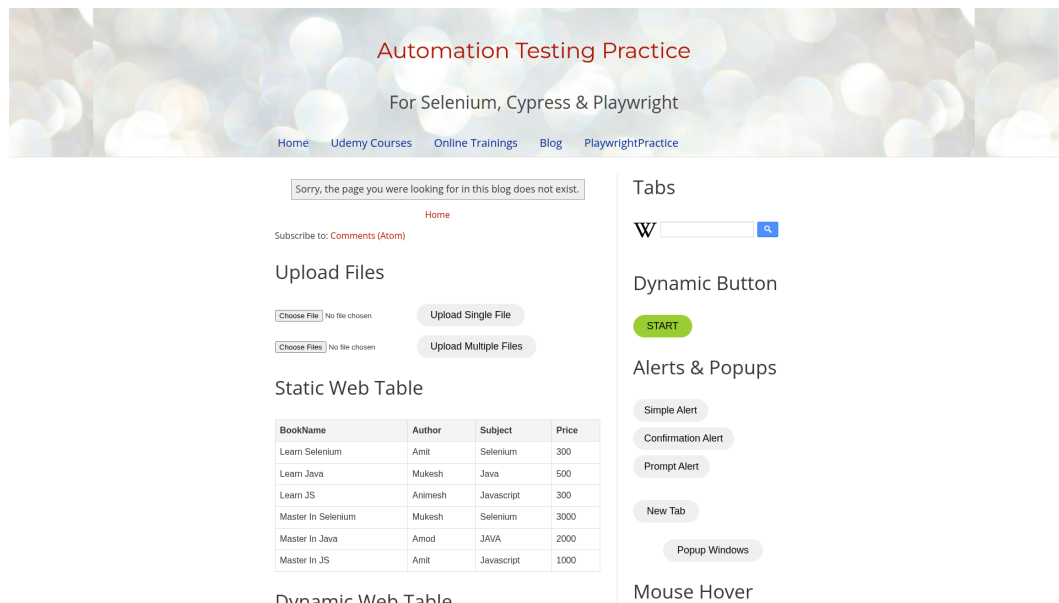

Website: <https://testautomationpractice.blogspot.com>

Feature Area: Labels and Links

Goal: Click all mobile labels, laptop links, and broken links; verify navigation or error handling.

Generated: March 26, 2026 at 06:28 AM

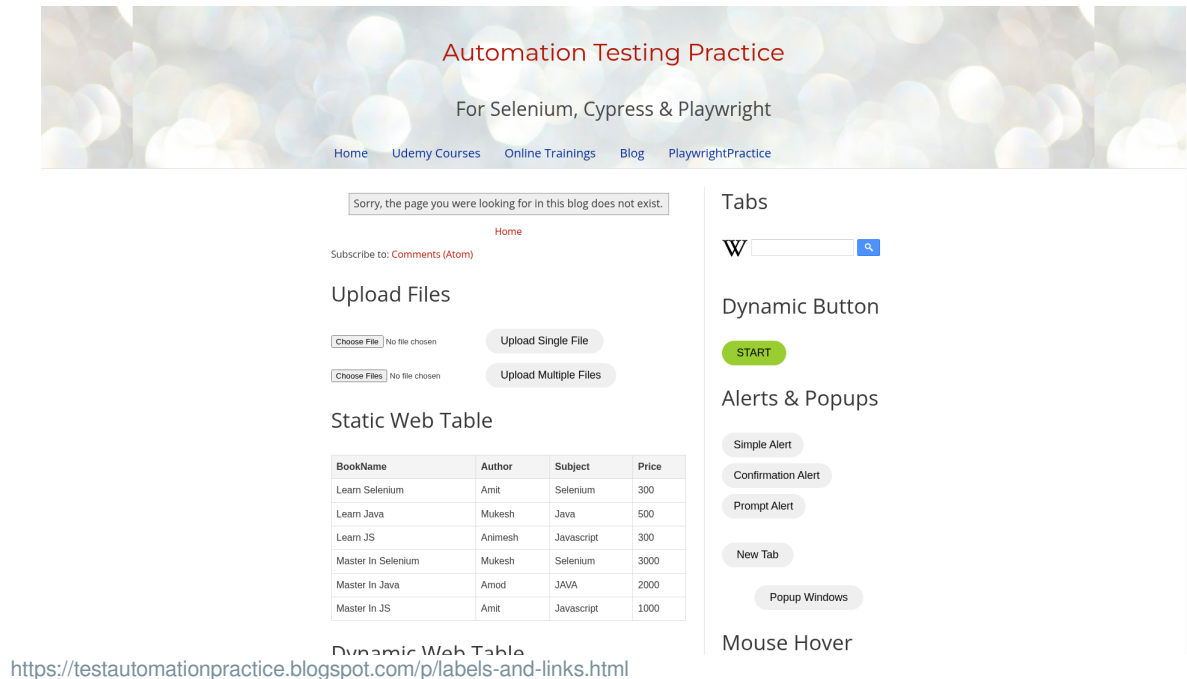

The AI navigated to the Labels and Links page and attempted to interact with all mobile labels, laptop links, and broken links. Upon clicking a broken link, the AI correctly observed an error message indicating the page does not exist, verifying error handling on the site.

Step-by-Step Walkthrough

1. AI Navigates to Labels and Links Page

The AI arrives at the Labels and Links section, preparing to interact with mobile labels, laptop links, and broken links as part of the workflow.

Discovered Test Scenarios

#	Scenario	Type	Priority
