Workflow Exploration Report

Mouse Hover and Double Click Interactions (Blocked by rate limiting and bot detection)

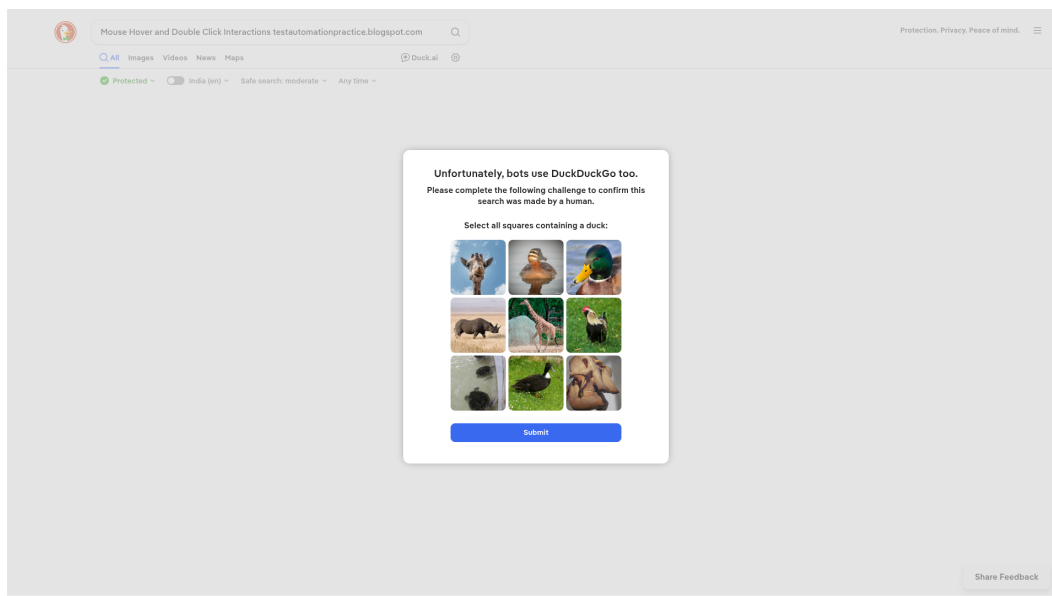

Website: <https://testautomationpractice.blogspot.com>

Feature Area: Mouse Hover & Double Click

Goal: Test mouse hover to reveal dropdown and double click to copy text. Blocked by 429 errors and CAPTCHA.

Generated: March 26, 2026 at 06:27 AM

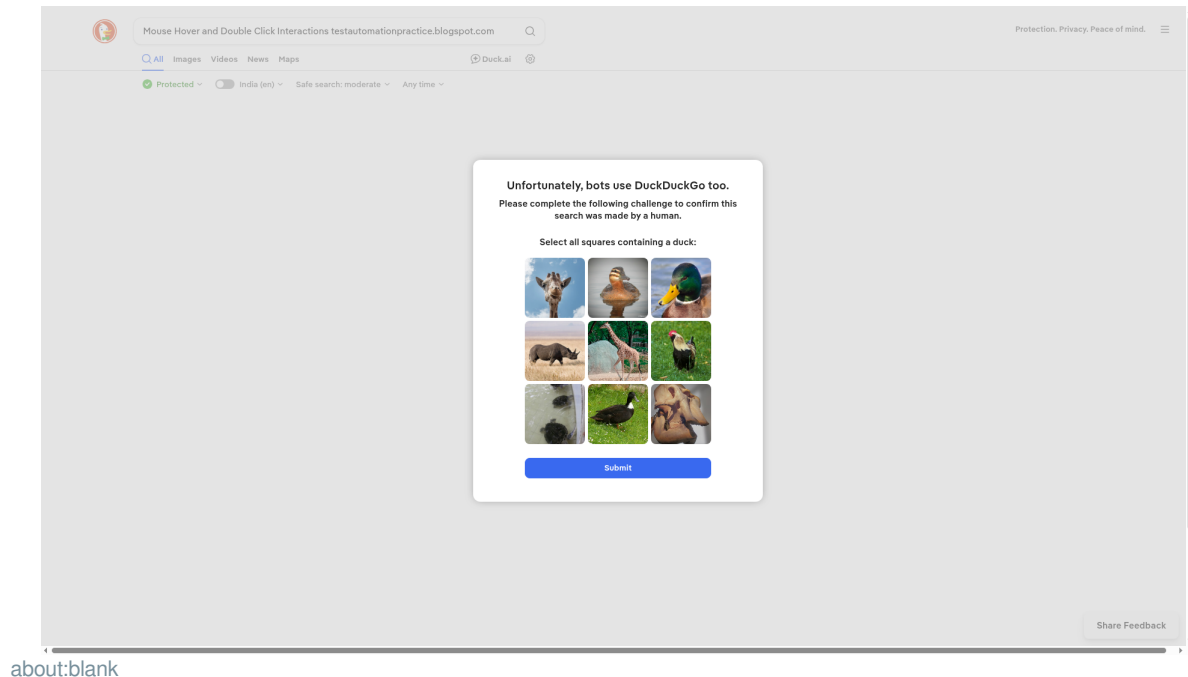

The AI attempted to test mouse hover and double click interactions on the target site but was blocked by bot detection and rate limiting. All attempts to access relevant pages resulted in CAPTCHA challenges, preventing further exploration or automation.

Step-by-Step Walkthrough

1. Bot Detection CAPTCHA Encountered

The AI is blocked by a CAPTCHA challenge on DuckDuckGo, which prevents automated access and requires human verification to proceed.

Discovered Test Scenarios

#	Scenario	Type	Priority
