Workflow Exploration Report

Upload Single and Multiple Files

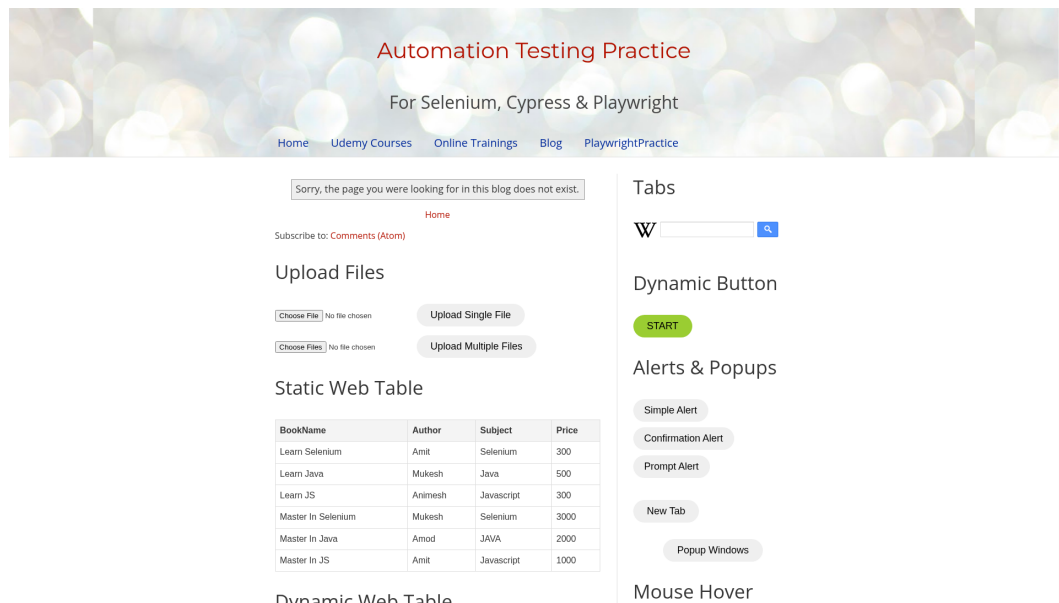

Website: <https://testautomationpractice.blogspot.com>

Feature Area: File Upload

Goal: Attempt to upload a single file and multiple files using the Upload Files page.

Generated: March 26, 2026 at 06:26 AM

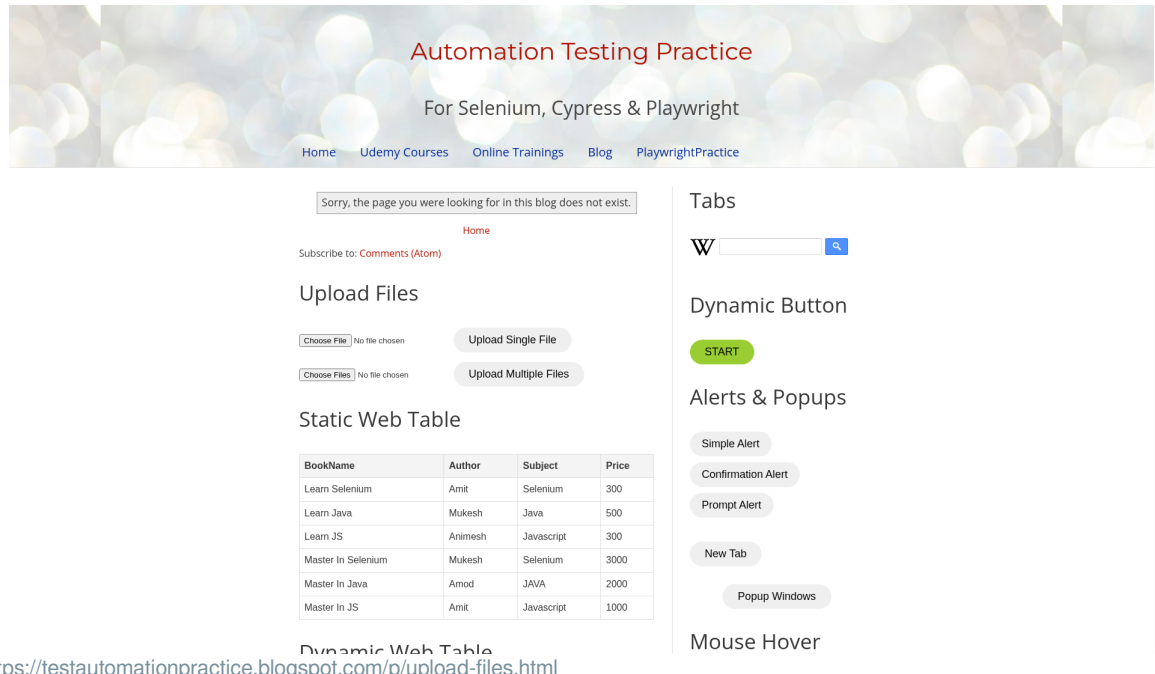

The AI navigated to the Upload Files page and attempted to interact with both the single and multiple file upload options. However, due to the absence of test files, no files were uploaded and no confirmation or error messages appeared, leaving the page unchanged.

Step-by-Step Walkthrough

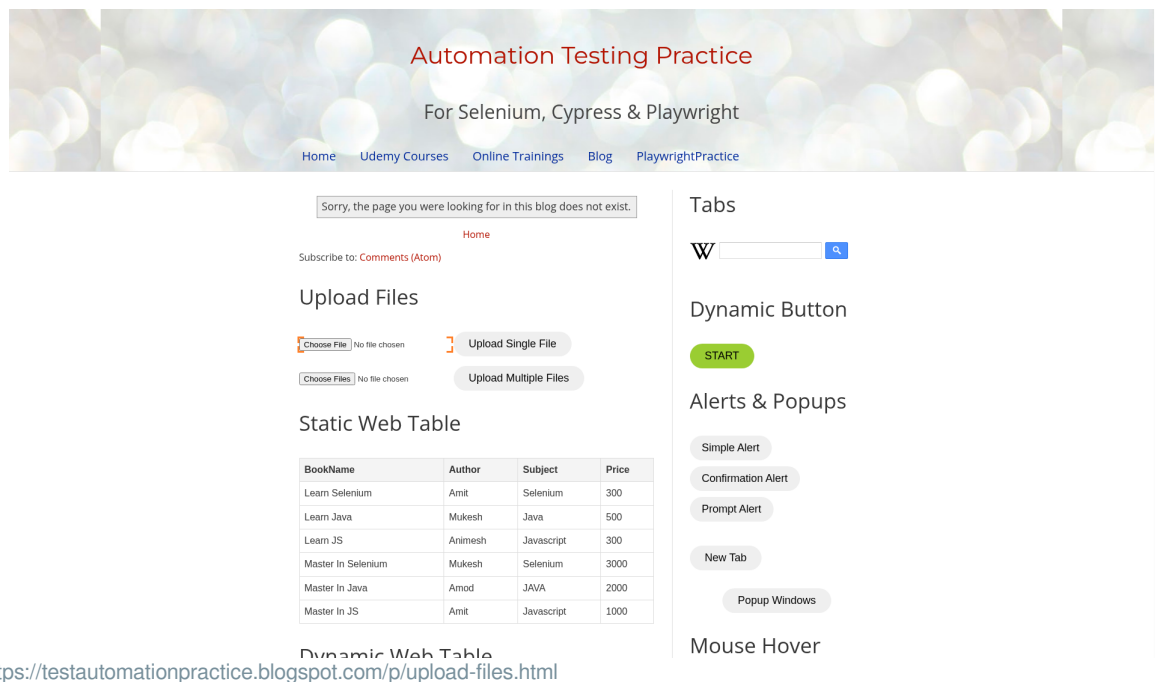

1. Upload Files Page Loaded

The AI navigates to the Upload Files page, displaying options for single and multiple file uploads.

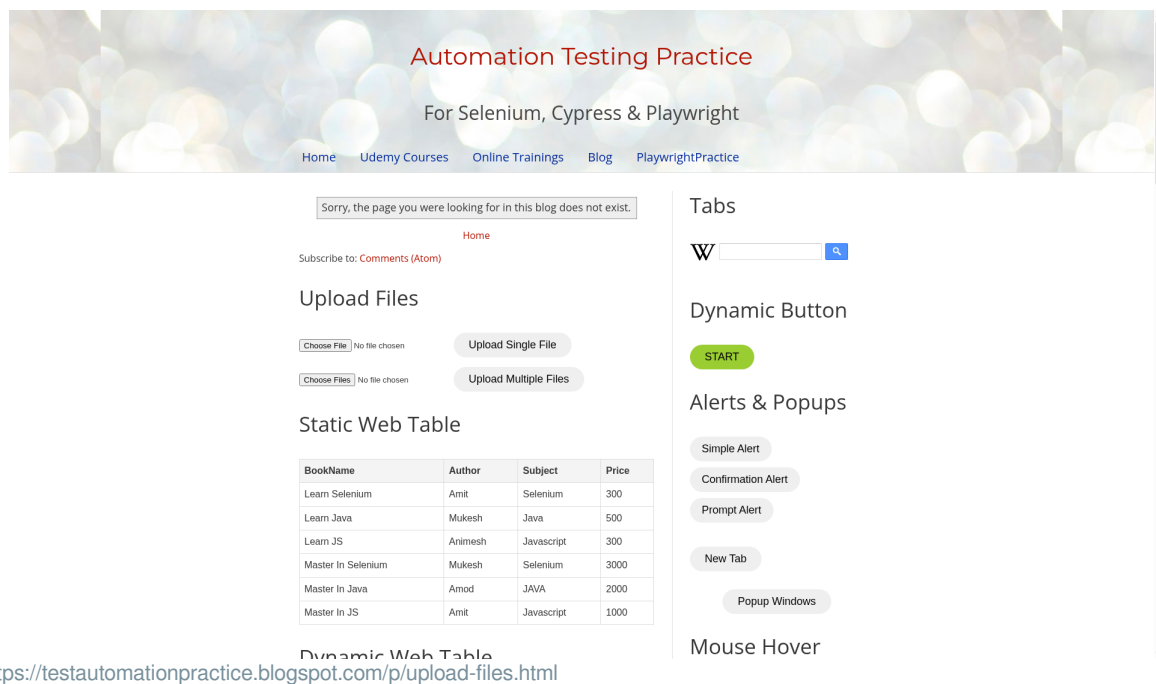

2. Single File Upload Clicked

The AI clicks the 'Choose File' button and highlights the 'Upload Single File' button, preparing to upload a file.

3. No Upload Outcome Observed

After attempting uploads, the page remains unchanged with no confirmation or error messages displayed.

Discovered Test Scenarios
