Adjust Price Range Using Slider Control (UI unresponsive)

Website: <https://testautomationpractice.blogspot.com>

Feature Area: Slider Control

Goal: Attempt to adjust the price range using the slider control and observe UI updates.

Generated: March 26, 2026 at 06:27 AM

The AI navigated to the slider control page and attempted to adjust the price range using both the slider handles and direct input. Despite these interactions, the price range display remained static and did not update, indicating the UI was unresponsive to automated actions.
